

HAZARD INFORMATION FOR TEACHERS CASTLECARY: FORT

The site of Castlecary fort can be accessed from the village of Castlecary. Take a minor road marked 'Walton' which runs south from the Bonnybridge to Castlecary road B816. Park in a cul-de-sac left off Walton Road, close to the former schoolhouse (now residential). The site of the fort can be seen in a field, marked by a clump of trees. Traces of some of the ramparts can still be seen.

It is the responsibility of teachers and group leaders to complete a risk assessment prior to any site visit with a group. This is a requirement of most education authorities. The following information is intended as a preparatory tool and does not replace a teacher's or group leader's own risk assessment.

Please be aware that changes in weather may affect the risks inherent in an outdoor site. Pupils should dress for outdoors.

POTENTIAL HAZARDS AT CASTLECARY

PEDESTRIAN ACCESS TO SITE

- There may be other traffic using this cul-de-sac; care should be taken.
- Trip risk from tussocks and uneven ground across the field.

EXTERNAL HAZARDS

- Trip risk from tussocks, fallen branches, low walls and uneven ground on the site.
